Sindh Public Procurement Regulatory Authority (SPPRA) is a government body of Sindh, Pakistan. It is responsible for the regulation and supervision of public procurement processes. The authority aims to ensure transparency, accountability, and efficiency in the procurement of goods and services by the government.

**Key Features:**

- Procurement Database:** The SPPRA maintains a central database of procurement tenders and contracts, which is accessible online. The database includes information such as tender notices, bid documents, and award letters.
- Regulatory Functions:** The authority oversees the implementation of procurement laws and regulations, monitors compliance, and investigates any irregularities or misconduct.
- Training and Capacity Building:** SPPRA provides training programs for government officials and procurement professionals to enhance their knowledge and skills in procurement management.
- Public Engagement:** The authority promotes transparency and public participation in procurement processes through its website and various communication channels.

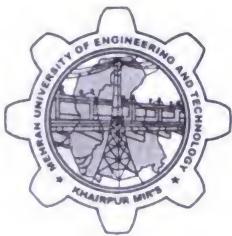

**Recent Notifications:**
